Fostering Stronger Ties: Buka Puasa with Gombak Police Leadership

On 4 March 2025, Bandar Tasik Puteri (BTP) Property Management hosted a Buka Puasa gathering in honour of the Gombak Police District's division leaders, strengthening collaboration and goodwill between the developer and the local enforcement authorities.

Held at Tasik Puteri Golf & Country Club, the evening brought together key representatives from both sides.

Attendees from BTP included Mr. Albert Lim, En. Edward Asraf, and En. Mohd Hanafiah. Representing the police force, the dinner was graced by Deputy Superintendent of Police Abdul Hafiz bin Hj. Ibrahim, Deputy Superintendent of Police Noor Azlin bin Hj. Yaakob, and Superintendent of Police Abang Kaderi bin Abang Wasli, who is also the Deputy OCPD of Gombak District.

This iftar event was more than just a shared meal—it was a meaningful platform to build stronger relationships, discuss safety initiatives, and reinforce open lines of communication. The presence of top-ranking police officers signalled the importance of strategic partnerships in ensuring a secure and harmonious living environment for BTP residents.

Improving Student Safety at SK BTP 2: Bollard Installation in Collaboration with BTP Property Management

On 8 April 2025, the Property Management team of Bandar Tasik Puteri worked together with Sekolah Kebangsaan Bandar Tasik Puteri 2 (SKTP2) to enhance student safety during peak school hours. As part of this initiative, a stretch of flexi bollards were installed along the walkway connecting the main school to the adjacent Sekolah Agama (Sekolah Rendah Agama As-Siddiqin).

These bollards were strategically placed to create a clear and secure pedestrian lane, ensuring that students walking to and from school are better protected from vehicle traffic—especially during the school dismissal times. The updated traffic plan also includes a designated “Safe Student Route” and restricted entry points to streamline vehicle movement and minimise congestion.

This collaboration reflects a shared commitment to student welfare, traffic efficiency, and community responsibility. Further measures are being considered to maintain smooth school operations and safe zones for all.

BTP Echoes of Spring Celebrates Culture and Community

The BTP Sales Gallery hosted the Lunar New Year celebration "Echoes of Spring" on February 15th 2025. The event attracted over 300 guests who experienced traditional performances including a spectacular lion dance which started the celebrations with high energy. The event featured traditional music performances with guzheng melodies and pipa recital which added cultural value to the event while guests participated in Hanfu experiences and creative activities that included DIY tote bag painting and ink rubbing.

A special highlight was the ancient general and horse appearance, delighting families with memorable photo opportunities. The event was a resounding success as guests also sampled a variety of traditional treats like Tau Fu Fah, Dim Sum, Tang Hulu, Dragon's Beard Candy and Ice Kacang.

Adding excitement to the occasion, an Ang Pow Lucky Draw featured various gifts hanging from a beautifully adorned blossom tree inside the Gallery. As a special promotion, guests who made a successful purchase of AMAYA Series 2 homes during the event received a complimentary 2D1N stay at Lexis Hibiscus Port Dickson. It was an afternoon filled with joy, laughter, and meaningful moments. Many guests expressed their enjoyment and are already looking forward to the next event at BTP.

Festive Hampers Delivered with Warm Wishes

In the spirit of celebrating community and goodwill, Bandar Tasik Puteri (BTP) delivered festive hampers to Kelab Rekreasi Guru dan Kakitangan (KRGK) of Sekolah Kebangsaan Tasik Puteri 2 (SKTP2) in conjunction with the Lunar New Year 2025 celebrations. A special hi-tea was organised by KRGK on 11 January 2025 to recognise and celebrate the unwavering dedication, passion, and hard work of the teachers and staff.

The gathering was filled with warmth and gratitude, reflecting BTP's commitment to fostering strong ties and uplifting the communities it serves. It was a meaningful afternoon that honoured the contributions of educators who continue to inspire and shape future generations.

Community Spirit in Action: Gotong-Royong at Acacia Park and BTP 1B

Bandar Tasik Puteri residents recently came together in a strong show of community spirit through two successful gotong-royong initiatives aimed at enhancing cleanliness and safety in their neighbourhoods.

On 22 December 2024, residents of Acacia Park Phase 2 joined forces with Rawang Lakes Sdn Bhd (RLSB) for a large-scale clean-up focused on trimming overgrown trees along Jalan Puteri 5 and within Acacia Park. Organised by the Acacia Park Residents' Association (RA), this initiative saw residents clearing debris and picking up trimmed branches, while RLSB provided manpower and equipment to assist with tree cutting and maintenance. The program not only improved the streetscape but also strengthened ties between residents and the developer.

Following this, on 25 January 2025, RLSB's Landscaping Team collaborated with the Kawasan Rukun Tetangga (KRT) Team of BTP 1B and RA Park Homes to clear overgrown trees along the Jalan Bandar Tasik Puteri–Kundang intersection. This effort improved road visibility and safety for daily commuters while enhancing the neighbourhood's overall appearance.

A joint appreciation meeting was later held, and RLSB received a certificate of appreciation for its active involvement. It was a truly successful collaboration, with both parties demonstrating shared commitment and effort in striving towards the same goal—to maintain Bandar Tasik Puteri as a clean, green, and thriving community.

Supporting Education Through Community Contribution

Bandar Tasik Puteri (BTP) continues to strengthen its community ties with a meaningful contribution to Sekolah Menengah Kebangsaan Bandar Tasik Puteri (SMKBTP)'s 23rd Annual General Meeting, held on 12 April 2025.

The lucky draw prize contribution was presented by Mr. Albert Lim of BTP to the school principal, Puan Noraini Binti Suboh, at SMKBTP. The gesture aimed to encourage active participation among parents and enhance engagement between the school and its broader community.

The PIBG AGM is an important platform to foster collaboration between educators and parents in nurturing students' development. This year's meeting also served as a moment of appreciation for the ongoing efforts of teachers and school staff.

BTP is proud to be part of initiatives that support local education and strengthen neighbourhood relationships.
